

Help the hedgehog

page 1

Scientists say
hedgehogs could
become extinct!

What's
this?

It's a
hedgehog.
You used to
see lots of
them in
gardens when
I was young.

Why are our hedgehogs in danger? What can we do to help?

A hedgehog's top 10 needs

Night time/ Darkness

3

8

Fresh meat or pet food

9

Beetles

5

6

Caterpillars

Fallen fruit

4

A source of fresh water, especially in hot weather

Cereals

1

A place to hide

2

7

Slugs and snails

Hedgehog heaven or hell?
