

Be a habitat hero!

Look around outside. Can you find a place that is good for...?

Bumblebees and
butterflies

Birds

Worms

Spiders

Slugs and snails

Hedgehogs

Frogs

- What makes this place good for this living thing?

The tree gives the bird shelter and somewhere safe to sleep, there might be bugs and berries for the bird to eat.

- What other wildlife might this place be good for?

Squirrels, insects, spiders, butterflies and moths, bats, slugs and snails

- Take a look around you - what words would you use to describe this place?

Green, leafy, quiet, calm, peaceful

- If you can, **take a photo** of the space you have found!
